Egypt Coatings Show

10-12 January 2027 // Egypt International Exhibition Centre (EIEC), Cairo

Connecting the **coatings** industry in Egypt & North Africa

WWW.EGYPTCOATINGSSHOW.COM

ORGANIZED BY Coatings Group dmg events

THE INDUSTRY, TOGETHER.

For three days in January 2027, **Egypt Coatings Show** brings together the people behind Egypt's coatings market. From manufacturers and raw material suppliers to buyers, distributors, chemists and technical specialists, this is where products are discovered, technical challenges are discussed, partnerships begin and business gets done.

1.73bn

Egypt’s paints and coatings market by 2031

4.85%

Compound annual growth rate to 2031

What’s driving demand?

Investment in construction, real estate and major infrastructure projects is increasing demand across decorative, protective and industrial coatings. New urban centres, coastal developments and tourism investment are adding further momentum, alongside growing demand for higher-quality, durable and sustainable products. **Egypt Coatings Show puts your products in front of the decision-makers driving this demand.**

WHO YOU MEET

Bringing you the right **buyers and decision makers**

> “ We've been exhibiting since 2009, and our experience at the Egypt Coatings Show has been incredibly valuable. Apart from being a key event for the coatings industry, it's also a great opportunity to strengthen our connections with customers in the Egyptian market. **We truly value this platform and are excited to exhibit again at the next edition.**

Eng. Ahmed Abouelkheir
Board Member, El Mohandes Trading & Manufacturing Chemicals
EXHIBITOR

> “ My experience at the Egypt Coatings Show has been excellent. The exhibitors showcased a wide range of new products and raw materials, which are highly beneficial for our coatings formulations. **This event has been a valuable opportunity to explore innovative solutions and connect professionals in the industry.**

WHAT YOU WILL FIND

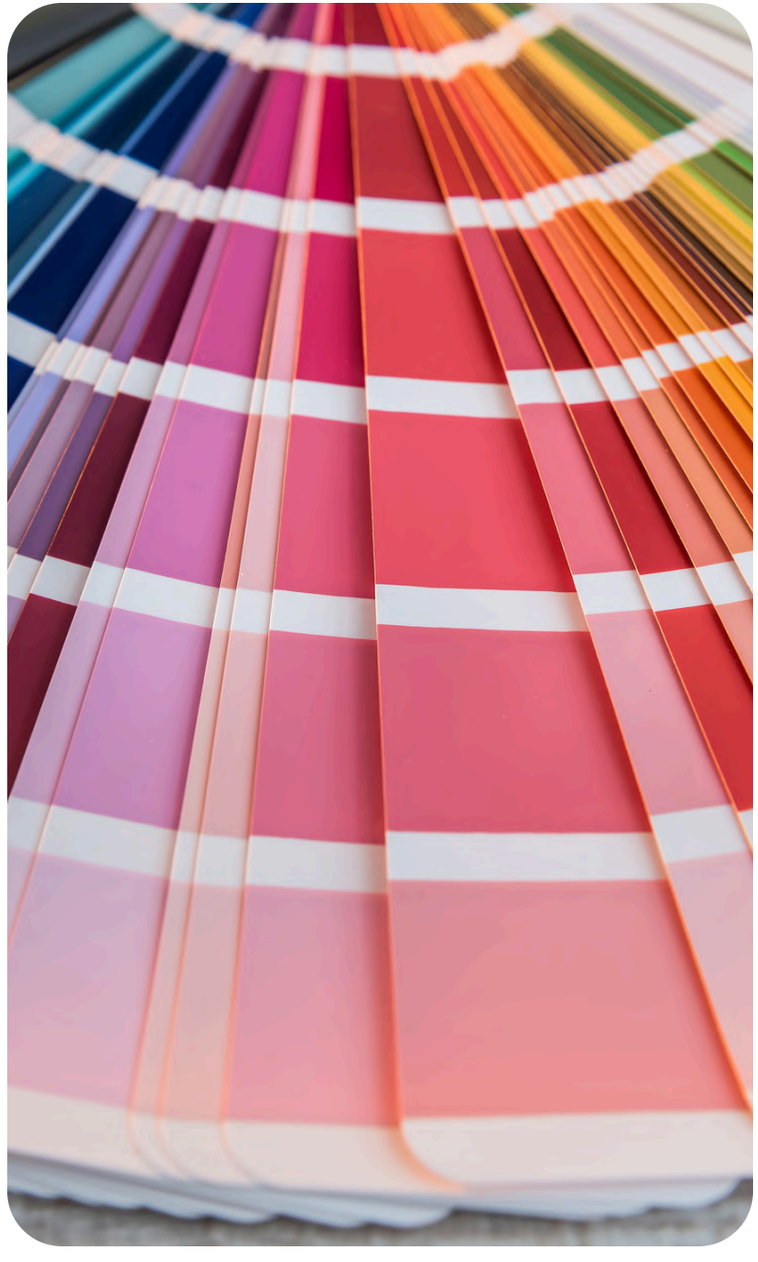
- Colour cards
- Colour forecasting
- Environmental protection & safety at work
- Health & safety



WHY EXHIBIT

Four reasons to book a stand

Generate leads

Meet buyers actively sourcing products and solutions, and turn face-to-face conversations into new business leads.

Create opportunities

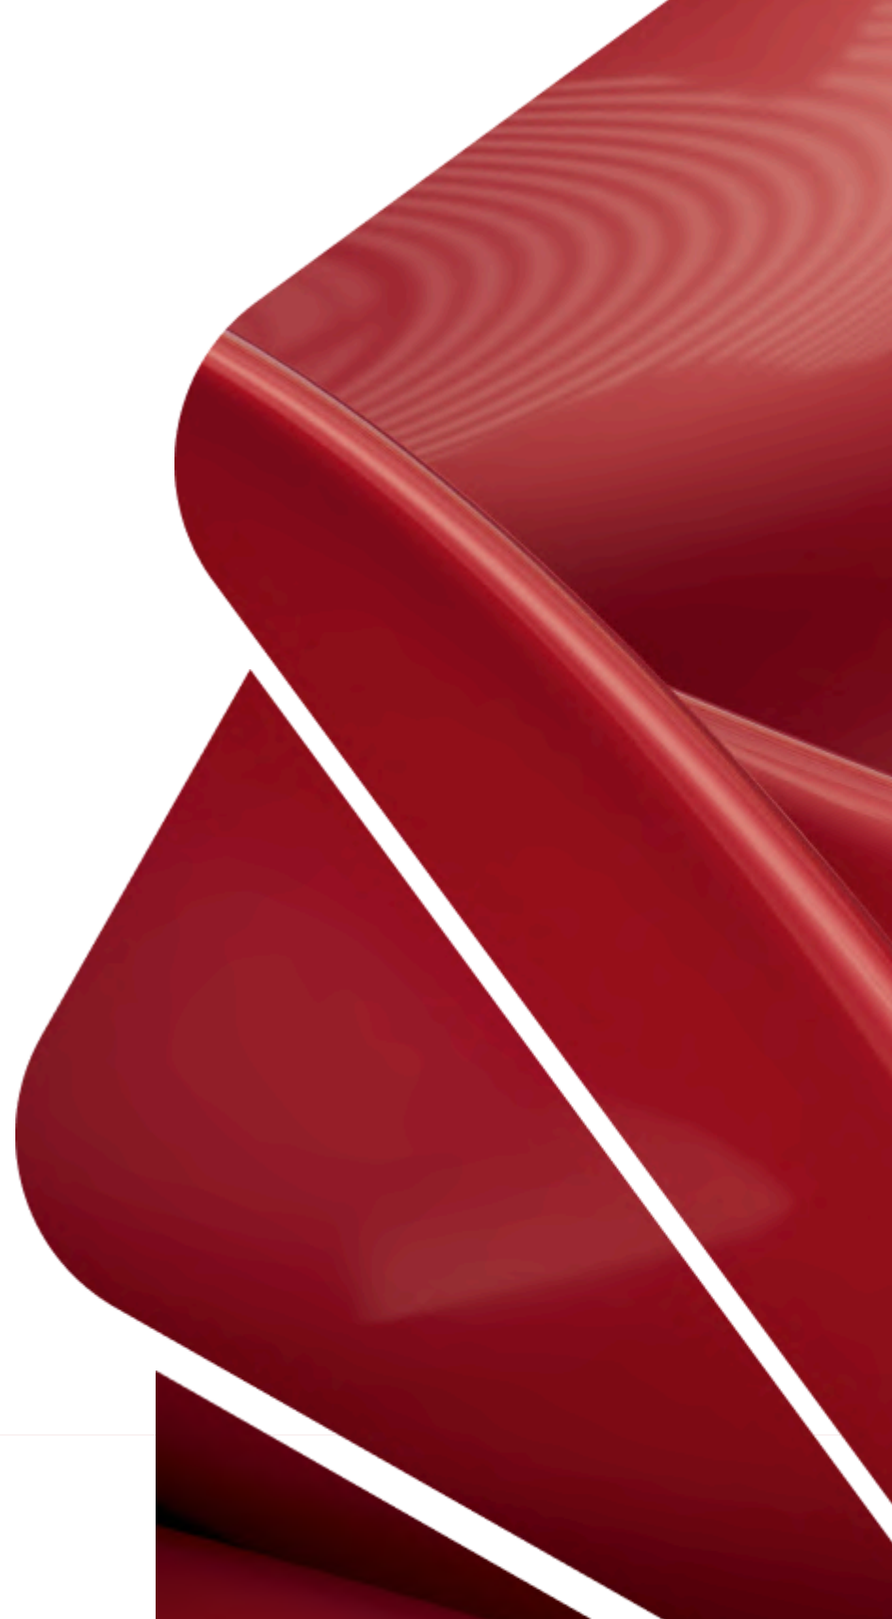
Build relationships with manufacturers, distributors, buyers and technical specialists from across the coatings industry.

Expose your brand

Put your brand at the centre of the conversation and build visibility in Egypt with key industry stakeholders

Gauge the market

Showcase your latest products, hear directly from customers and gain first-hand insight into what the market needs.



WHO EXHIBITED

110 exhibitors
from 14 countries

SOME OF OUR 2025 EXHIBITORS

ChemTalks gives exhibitors the opportunity to take their products, expertise and ideas beyond their stand. Across 14+ sessions over the first two days of the show, exhibiting companies can present their latest products and developments live to an engaged industry audience. Use this platform to demonstrate your expertise, introduce new solutions and explore the technical topics that matter to potential clients.

6 Chem talks

FORMERLY BUSINESS PRESENTATIONS HUB

Put your expertise on stage.
